BASE SET

Signatures Parallel

The 150-card base set consists of three subsets:

Regular: Players from the U18 and U20 teams, and the Women's National Team.

Pride of the Program (High Series): The best-of-the-best from the U18 and U20 teams.

Program of Excellence: Players that have made it through Team Canada's Program of Excellence.

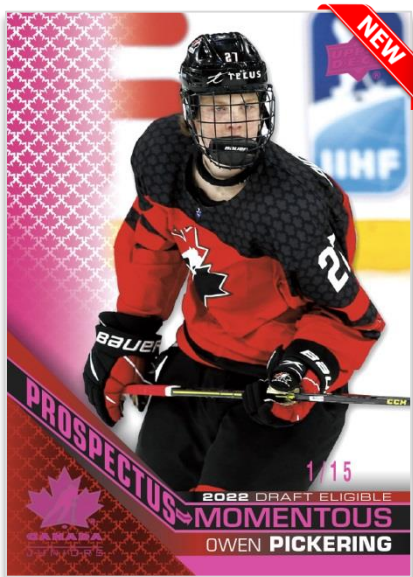

The deep parallel lineup - some covering all 150 cards, some just the first 100 cards - includes a bevy of new additions (Red Foil, Pattern Foilboard, Red Pattern Foilboard, Gold Pattern Foilboard and Clear Cut) as well as several returning favorites, highlighted by the Black Signatures, Finite, Jersey and Auto Patch parallels. The Clear Cut parallels are **Hobby-exclusive!**

PROSPECTUS MOMENTOUS Electric Pink Parallel

The **Prospectus Momentous** insert returns after a successful 2021 debut. This set features top junior players that have been drafted or expect to be drafted within the next couple years. We've also expanded the parallel lineup, adding serially-#d [Electric Yellow](#), [Electric Gold](#), [Electric Orange](#), [Electric Pink](#) and [Black Auto](#) parallels!

SPARKLING STANDOUTS

The 2022 edition also features a bevy of incredible new tech inserts:

Medal Hopefuls: An all-metal set! Look for low-#d [Red](#) parallels.

Sparkling Standouts & Team Canada FX: In both sets, each player is popped-out on a Light FX background.

Team Canada Acetates: All of the cards in this set utilize a PETG bottom sheet laminated to a die-cut Rainbow Foil top sheet.

The checklist for each consists of a mix of U18, U20 and Women's National Team players. Collect a new tech card in every box, on average!

Medal Hopefuls and Team Canada Acetates cards are pictured on the next slide.
