ALL-MILLENNIUM
Auto Parallel

FRESH FOUNDATION
Blue PMG Parallel

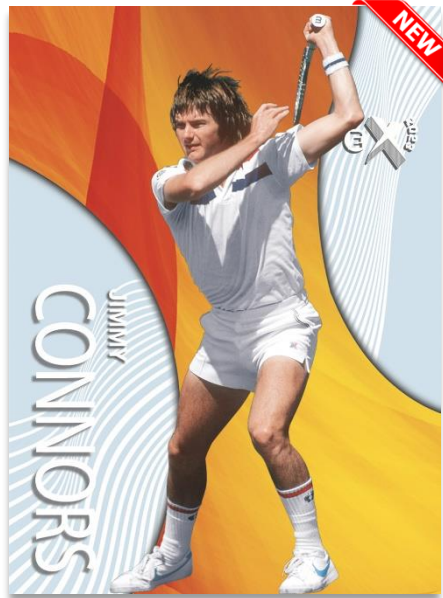

The base set consists of 100 regular cards - each sporting a unique background design provided by the team that created the original 1997-98 Metal Universe set - and 50 high-series **All-Millennium** cards (a new name and design for the high-series subset).

The parallel lineup is deep and full of chase cards, highlighted by the coveted Silver Auto, Gold Auto (low-#’d) and serially-#’d **Precious Metal Gems (PMG)** parallels: Red, Blue, Green and Gold (#’d 1-of-1). Additionally, there are two **all-new** & serially-#’d Light FX parallels: Pink FX and Orange FX!

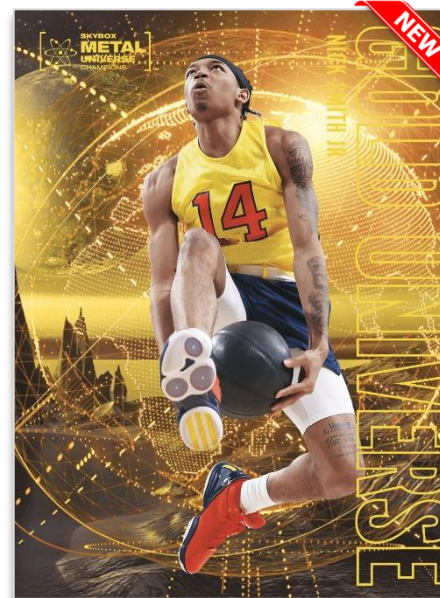

The checklist for this popular insert features only top prospects and young stars. This set also boasts a new design and the same parallel lineup as the base set!

SKYBOX PREMIUM
Star Topaz Parallel

Another classic insert consisting of the top names from the base set. There are six serially-#’d parallels, highlighted by the Star Emerald (low-#’d), Star Amethyst (low-#’d) and Star Diamond (#’d 1-of-1) parallels, as well as a low-#’d retro design variant set that sports the 1998-99 Skybox Premium Star Rubies design! There is also a rare Auto parallel of the design variant set.

Each box will contain, on average, three (3) regular Skybox Premium cards.

Z-FORCE
Super Rave Parallel

The design of this popular set resembles a classic ‘90’s Z-Force design. We’ve also added **two new parallels**. In addition to the returning Rave (#’d) and Super Rave (low-#’d) parallels, collectors can also now hunt for Galaxy Rave (low-#’d) and Universe Rave (#’d 1-of-1) parallels!

Each box will contain, on average, three (3) regular Z-Force cards.
